To Whom It May Concern,

I am writing to highly recommend Justin Zitel, who worked with us at Abacus Group from May 2022 to September 2023. During this period, Justin demonstrated exceptional skills and dedication both as a full-time employee and as a part-time intern.

Justin was a pleasure to have on our team. He was easy to work with and consistently asked insightful questions that showed a deep understanding of the tasks at hand. His ability to follow through on assignments and deliver quality work was commendable.

In addition to his technical expertise, Justin brought a positive attitude and collaborative spirit to the workplace, making him an invaluable member of our team. I am confident that Justin will be a great addition to any team he joins.

Please feel free to contact me if you need any further information.

Sincerely,

Christopher Steele
